

UPS Today

Viral Photo of Rabbit Had Been Photoshopped

The citizens of the UPS are **very** dismayed because the viral image known as Rabbit Chick was recently revealed to be Photoshopped. The artist known as FunnyPhotos on Instagram wants to apologize to the fans of the Photo.

*I would like to apologize to my fans. It was meant as a joke.
I will issue a formal letter in the coming days.*

-FunnyPhotos

FunnyPhotos has already been fined and will appear in trial in the coming months
dismay will **not** be tolerated.
He will be prosecuted to the proper degree
